

Who are Watch D.O.G.S.®

Fathers, mothers, grandparents, stepparents, aunts, uncles, guardians, and other caring adults serve on campus each year under the leadership of a program coordinator and under the guidance of a school principal or designated administrator.

Purpose

There are 2 primary goals of the WATCH D.O.G.S. program:

1. To provide positive role models for the students, demonstrating by their presence that education is important.
2. To provide extra sets of eyes and ears to enhance school security and safety.

At our school, we believe that families and educators share common values and a collective desire to see every child thrive. The Watch D.O.G.S. program helps bring our community closer by uniting us around these shared goals. Through this partnership, we aim to make a meaningful impact – supporting our educators and inspiring our students, one caring adult at a time.
